President's Corner

David Cartledge

We are nearing the end of a very hot but interesting summer. We have welcomed several new members, participated in Memorial Day, July 4th, Back to School, and Labor Day events, and made progress on several vehicles. Mike M. represented us recently with his deuce at a Touch-a-Truck event, and John H. with Pierce, new member JC, and I drove vehicles in Chapin's Labor Day parade (pictures below).

In this issue Lee highlights the numerous major events in front of us. Please join us for our "fall campaign" and sign on with the designated POC for each activity soon! You can always contact me or John P. if you have questions. Lee needs to hear from you

soon if you will participate in UofSC's *Salute the Troops* at the Tennessee football game on 19 November.

We plan to celebrate a successful fall schedule with our annual holiday dinner on Wednesday, December 14. BBQ master and club member Brian D. has volunteered again to prepare the meats for this affair. Further details will be announced later in the fall.

We are awaiting good news from the Five Points Business Association's new executive director about continuing our logistical support of the St. Patrick's Day Festival.

Meanwhile, stay safe, thanks for what you do, and...*Keep 'em rolling!* Dave
