President's Corner

David Cartledge

Hope everyone survived the storm and are well. Please continue to pray for those folks who experienced significant losses

from Helene and Milton.

Cooler temperatures should enable us to continue work in the Compound. The tower is now set and concrete has been poured and cured. Look for more improvements in the near future.

Coming up soon is the Military Timeline event in Aiken 1-3NOV24. We plan to have as many assets there as we can muster, so please participate if you are able. Contact me or John Peck if you need more details.

We will be participating in the Columbia Veterans Day Parade on Monday, 11NOV. Rendezvous at the Compound at 0800! Following the Parade, we will be supporting the 10-year anniversary of the War Dog Memorial in Columbia's Memorial Park with member and Vietnam dog handler Johnny Mayo, whose service and years of hard work inspired the creation of this statue.

Thanks for all you do to contribute to our success as the MVCSC. Let's drive on and ... Keep 'em rollin'!
Dave

The club Compound continues to reflect greater organization and attention to appearance. Thanks are especially due to John Peck, Jeffrey Ray, Ron McManus, and Brian Davis for their efforts to improve and maintain MVCSC's work and storage space. We are also grateful to Preston Ammons for painting the tower and flagpole.
